

SUMMER MEAL PROGRAM

The County Superintendent of School (County Superintendent) Child Nutrition Programs have a positive and direct impact upon children's wellbeing and achievement. To help students and other children in the community remain well-nourished throughout the summer, the Monterey County Office of Education (MCOE) may sponsor a summer meal program as approved by the California Department of Education (CDE).

Site Selection

In identifying locations where summer meals may be provided, the County Superintendent or designee shall document site eligibility according to the following criteria: [7 CFR 225.2, 225.15]

1. **Open Site:** The site provides meals to all children in the area and is located at a school or non-school site within the geographical boundaries of a school attendance area where at least 50 percent of the children are eligible for free or reduced-price meals.
(cf. 3553 - Free and Reduced-Price Meals)
2. **Restricted Open Site:** The site initially meets the criteria of an "open site," but the district must restrict or limit participation on a first-come, first-served basis due to security, safety, or control concerns.
3. **Closed Enrolled Site:** The site is open only to enrolled children, as opposed to the community at large, and at least 50 percent of the enrolled children at the site are eligible for free or reduced-price school meals, as determined by approval of applications in accordance with 7 CFR 225.15(f).

If MCOE operates an Open or Restricted Open Site, and offers the summer meal program at a site that provides summer school sessions, it shall ensure that the site is open to students enrolled in summer school and to all children residing in the area served by the site. [7 CFR 225.14]
