

WILLIAMS UNIFORM COMPLAINT POLICIES AND PROCEDURES

The Monterey County Board of Education (County Board) and Monterey County Office of Education (MCOE / County Office) are required to set forth the process for submission of Williams complaints as per the Williams Lawsuit Settlement. This policy contains rules and instructions about the filing, investigation and resolution of a Williams complaint regarding alleged deficiencies related to instructional materials, the condition of a facility that is not maintained in a clean or safe manner or in good repair, and teacher vacancy or misassignment.

The County Office adopted the Uniform Complaint Procedures (UCP) process in accordance with Chapter 5.1 (commencing with Section 4680) of the *California Code of Regulations*, Title 5, to resolve Williams complaints. This document presents information about how complaints concerning Williams Settlement issues are processed. A UCP complaint is a written and signed statement by a complainant alleging a violation of state laws or regulations. A complainant is any individual, including a person's duly authorized representative or an interested third party, public agency, or organization who files a written complaint alleging violation of state laws or regulations, regarding alleged deficiencies related to instructional materials, the condition of a facility that is not maintained in a clean or safe manner or in good repair, and teacher vacancy or misassignment. If a complainant is unable to put the complaint in writing, due to a disability or illiteracy, MCOE shall assist the complainant in the filing of the complaint.

The Responsibility of the Monterey County Office of Education

MCOE is required to have local policies and procedures that enable Williams Complaints to be handled through the UCP process; to post a classroom notice informing parents, guardians, pupils, and teachers of their rights to file a Williams complaint in each classroom in each program and school; and to provide a complaint form for Williams complaints regarding alleged deficiencies related to instructional materials, conditions of facilities that are not maintained in a clean or safe manner or in good repair, and teacher vacancy or misassignment.

If a response is requested by the complainant, the response will go to the mailing address of the complainant indicated on the complaint.

If Education Code §48985 is applicable and 15 percent or more of the pupils in grades K–12 enrolled in MCOE programs speak a language other than English, the Williams Complaint Classroom Notice and the Williams Complaint Form shall be written in English and in the primary language of the complainant. The complaint response, if requested, and final report shall be written in English and the primary language in which the complaint was filed.

A Williams Complaint about problems beyond the authority of the school principal shall be forwarded in a timely manner, but will not exceed 10 working days, to the department or division head for resolution.

The principal of the school or principal's supervisor, as applicable, shall make all reasonable efforts to investigate any problem within their authority.

The principal, or, where applicable, the principal's supervisor shall remedy a valid complaint within a reasonable time period but not to exceed 30 working days from the date the complaint was received.

The principal, or where applicable, the principal's supervisor, shall report to the complainant the resolution of the complaint within 45 working days of the initial filing, if complainant identifies himself or herself and requested a response.

The principal makes this report; the principal shall also report the same information in the same timeframe to the principal's supervisor.

MCOE shall report summarized data on the nature and resolution of all complaints on a quarterly basis to the Monterey County Superintendent of Schools (County Superintendent) and the County Board. The summaries shall be publicly reported on a quarterly basis at a regularly scheduled meeting of the County Board. The report shall include the number of complaints by general subject area with the number of resolved and unresolved complaints.

The complaints and responses shall be available as public records.
