- Insisting that all school district organization transactions be on an open, ethical, and above-board basis;
- Refusing to use the position of Committee Member in any way whatsoever for personal gain or for personal prestige; and
- Winning the community's confidence that everything is being done in the best interest of schoolchildren.

A County Committee member should respect relationships with other members of the Committee by:

APPENDIX A

THE PETITION PROCESS

I. Petition Requests

- A. All requests for change under the jurisdiction of the County Committee should be made to:

County Committee on School District Organization
C/o County Superintendent of Schools
Monterey County Office of Education
P.O. Box 80851
Salinas, CA 93912

Or by hand or commercial delivery to:

County Superintendent of Schools
Monterey County Office of Education
901 Blanco Circle
Salinas, CA 93901

- B. All prospective petitioners are encouraged to work with the County Superintendent and staff prior to preparing a petition. In preparing the petition, the following relevant information is required:

1. If the proposed action involves boundary changes or unification, include a map (a road map may be sufficient) and boundary description of the territory to be affected (list all the assessor's parcel numbers (APN) with corresponding street address).
2. The reasons for the requested change(s).
3. A list of the districts affected by the proposal.
4. If the change involves electoral changes to trustee area, include a suggested designation of the trustee boundaries.
5. The names and address of up to three chief petitioners.
6. For transfers of a territory with less than 12 registered voters, submit a letter with the reasons for the transfer and signatures of the homeowners. For the transfer of a territory with 12 or more registered voters, submit a formal petition with the signatures of at least 25 percent of the registered voters in the area proposed for transfer.

7. An affidavit stating that all signatures on the petition are genuine signatures and were obtained in the presence of the petition circulator [EC Sec. 35701 and 35702]

- C. Petitioners and affected districts should be aware that costs associated with the filing of boundary change documents with the State Board of Equalization, and related matters, will be borne by the newly created districts or the receiving district for territory transfers. [GC Sec.54902.5]

Other expenses incurred in the petition process will be processed in accordance with County Board Policy BP 1500.1 accessible through the Monterey County Office website: www.montereycoe.org/county-board/county-committee/

II. DETERMINING THE VALIDITY OF PETITIONS

- A. The County Superintendent shall forward the petition to County Counsel, or an assigned attorney, for approval as to form and content.
- B. The County Superintendent will verify the signatures on the completed petitions and determine if they are sufficient in number and signed as required by law. The County Superintendent has 30 days after the receipt of the petition to complete this task. [EC Sec. 35704]
- C. The County Superintendent shall contact the Registrar of Voters to verify the petition signatures. The Registrar will provide a certificate showing the results of the examination.
- D. If the number of verified signatures is insufficient, the petitioners will be notified and no further action will be taken. Because there are no statutory timelines for submitting or appending signatures to a petition, the petitioners may obtain additional signatures to append to the original petition in order to attain the required percentage. The petition can then be resubmitted to the County Superintendent.
- E. If the number of verified signatures is sufficient, the County Superintendent will present the petition to the County Committee and transmit a copy of the petition simultaneously to the State Board of Education. [EC Sec. 35704]

III. PUBLIC HEARINGS

There are no *Education Code* prescribed procedures for conducting public hearings in connection with issues the County Committee is considering. Therefore, the Monterey County Committee has adopted the following procedures. These procedures may be changed as varying circumstances dictate.

- A. The Education Code requires the County Committee to hold at least one public hearing in each of the affected district within 60 days of the receipt of the petition from the County Superintendent. Additional hearings may be held at the discretion of the County Committee. [EC Sec. 35705] (See Appendix B for a sample agenda.)
- B. Public hearings will be scheduled when it is most convenient for the majority of the County Committee and the interested parties to attend.
- C. Although a quorum of the County Committee is not required to conduct a public hearing, every effort will be made by Committee members to attend all the hearings.
- D. Notice of public hearings shall be given at least ten days prior to the hearing to not more than three persons designated as chief petitioners, to the governing board of the affected districts, and to all other persons requesting notice. [EC Sec. 35705]
- E. Notice of public hearing shall be published once in a newspaper of general circulation within the affected districts at least ten days prior to the hearing. [EC Sec, 35705.5]
- F. Ten days prior to a public hearing, the County Committee will make available to the public a description of the petition including all items listed in EC Sec 35705.5(b) 1-9.
- G. In order to promote constructive citizen participation, to ensure equal and fair treatment to all individuals and groups, and to enable the County Committee to make maximum use of the limited time available at hearings conducted by the County Committee, the following procedures will be observed:
 - 1. At the start of the hearing, the chair will announce the rules of order for the hearing.
 - 2. Any individual may make an oral presentation to the County Committee concerning the topic that pertains to the hearing agenda and subject matter.

3. Hearings will be conducted in accordance with a posted agenda and agenda guidelines. A maximum of three to five minutes will be allocated to each speaker. The County Committee may, at its discretion, utilize an abridged version of its public hearing guidelines. Waivers of these time limits shall be made only by a majority vote of the County Committee members present at the hearing.
4. Members of the public will be recognized by the chair to speak. All remarks made must be germane to the business at hand and must be addressed to the Chair. No person other than the person having the floor and members of the County Committee will be permitted to enter the discussion.
5. Public speakers may not directly question individual members of the County Committee without the express permission of the Chair, nor will individual Committee members address questions directly to the speaker without the permission of the Chair. No speaker may relinquish a time allotment to another speaker.
6. A person addressing the County Committee shall be ruled out of order if any remarks are made which serve to disrupt meeting proceedings. Persistence in such behavior shall be grounds for summary termination, by the Chair, of the person's privilege to address the Committee.
7. Posting or distribution of banners, leaflets, handouts, or other media of communications or solicitations of signatures for petitions, which serve to promote or discourage specific points of view, are prohibited inside the hearing room.
8. Language translation services can be provided with the minimum of three business days' notice prior to the public hearing.
9. Public hearings are an opportunity for the community and district representatives to express their views on the issue presented in the petition. Further, they provide an opportunity for the County Committee to gain first-hand knowledge of the unique issues associated with each proposal. While the proceedings may be tape recorded at the discretion of the County Committee, no minutes of the proceedings are normally kept.

IV. APPROVAL OR DISAPPROVAL OF THE PROPOSAL

- A. Within 120 days after the first public hearing, the County Committee will approve or disapprove the proposal. [EC Sec. 35705]

- B. For petitions for formation or unification, the County Committee will transmit its plans, report, and recommendations to the State Board of Education upon completion of the required statutory processes. [EC Sec. 35707]
- C. In cases of the transfer of uninhabited territory or inhabited territory that is less than ten percent of the assessed valuation of the original district and where the majority of owners of the territory and the affected governing boards support the transfer by resolution, the County Committee may approve the petition without an election held in the affected territory. [EC Sec. 35709]
- D. For all other cases involving transfer of territory, unifications, or changes in the number or methods of electing district trustees, approval of the proposal requires the County Committee to notify the County Superintendent who must call an election in the territory of the districts as determined by the County Committee. [EC Sec. 35710] However, the governing board of a district or the county office of education may request the State Board of Education for a waiver of election. [EC Sec. 33050]
- E. Any change in the boundaries of a voting unit, changes in the constituency of an elected official through redistricting, or changes in the manner of election in Monterey County must receive a "pre-clearance" from the U.S. Department of Justice before any implementation of the County Committee approved action. [Federal Voting Rights Act of 1965]

Preclearance is a federal requirement that certain jurisdictions obtain "approval" from the U.S. Justice Department before implementing any change to "any voting qualification or prerequisite to voting, or standard, practice, or procedure with respect to voting." [42 U.S.C. Section 1973c, Section 5]

The purpose of preclearance is to determine that the proposed change does not have "the purpose nor will it have the effect of denying or abridging the right to vote on account of race or color." [42 U.S.C. Section 1973c, Section 5]

V. AREA OF ELECTION

- A. Whenever the County Committee approves a petition that requires an election, the County Committee shall also determine the territory in which the election shall be held.
- B. Whenever the County Committee recommends approval of a unification or formation petition to the State Board of Education, the County Committee

may, at its discretion, make a determination that there exists a logical and meaningful reason(s) to expand the area of election beyond the area of the petition.

VI. APPEAL PROCESS

- A. An action by the County Committee may be appealed to the State Board of Education by the chief petitioners or one or more of the affected school districts. [EC Sec. 35710.5]
- B. Appeals may be made on issues of non-compliance regarding provisions of specific Education Code Sections:
 - 35705 – Public Hearings, Notice;
 - 35706 – Recommendations of the County Committee;
 - 35709 – Order, Notification
 - 35710 – Notification of Approval; Election; Conditions

Or

On issues of whether the proposal will adversely affect the racial or ethnic integration of schools of the affected districts. [EC Sec. 35711]

For appeals on issues of non-compliance, a chief petitioner has five days and a school district has 30 days from the date of final action by the County Committee to file the notice of appeal with the County Superintendent and the County Committee. Upon receipt of the appeal, the action of the County Committee shall be stayed pending the outcome of the appeal. The appellant has 15 days from the filing of the notice to submit a statement of reason and factual evidence with the County Committee.

For appeals made on issues of whether the proposal will adversely affect the racial or ethnic integration of schools of the affected district(s), a notice of appeal must be filed directly to the State Board of Education within 30 days. [EC Sec. 35711]

The County Committee must forward the statement of appeal and all the records of the proceedings to the State Board of Education within 15 days of receipt.

For reorganizations under the jurisdiction of different counties, only the appealing County Committee may initiate an appeal to the State Board of Education.

VII. STATE BOARD OF EDUCATION REVIEW

- A. The State Board of Education may elect either to review the appeal or to deny review of the appeal (ratify the County Committee's decision). There are no time limits specified for the State Board of Education to take action on an appeal. The State Board of Education will approve or disapprove the petition and make other pertinent decision as required. [EC Sec. 35708, 35750, and 35754]
