

## **COURSES OF STUDY FOR COURT/COMMUNITY SCHOOLS**

The Monterey County Superintendent of Schools supports the continuing development of courses of study in programs under its jurisdiction. Such development should reflect the changing needs of the student population served and the changing needs of society, including economic and technical advances.

Standards-based curriculum for Monterey County Office of Education (MCOE) educational programs will be developed and implemented as appropriate. State mandates and standards will be incorporated into courses of study as necessary and appropriate.
