SUBJECT: Direct Service Plan for 2014-2015

Enclosed is the Direct Service Allocations and Request forms for 2013-2014. The Direct Service Plan is a description of the direct service allocations and daily rates of MCOE providers for Direct Service Districts.

The Direct Service Allocations were calculated following procedures dictated by Education Code Section 2550. The requirement to provide a base minimum of services is described in Education Code Sections 1730 through 1762 and in Education Code Section 14054. **Regulations prevent the allocations from being carried over year to year or directly dispersed to individual districts.**

The cost of one day of service has been set at \$600.00 for each of the three service areas:

- ③ Instruction (Ed. Code 1730)
- ③ Health (Ed. Code 1750)
- ③ Guidance (Ed. Code 1760)

Please complete the attached request form to indicate your service selection for 2014-2015. Please send your completed forms to Jessica Herfurth (fax: (831) 784-4144; email: jherfurth@monterey.k12.ca.us).
