

Monterey County Office of Education

Dr. Nancy Kotowski
County Superintendent of Schools

Hello Leaders,

Thank you all for your interest in and support with the Monterey County Math Initiative (MCMI). Currently we have made available to you the information from David's recent kick off presentation on MCMI and the application for membership at bit.ly/MCMI2016 (the link is case sensitive). In addition to on going professional development, members will also receive access to resources such as videos, tasks, rubrics and scoring samples. The Monterey County Mathematics Initiative has an annual fee structure as follows:

- Large Districts/Institution (Greater than 40,000 students): \$10,000 annual fee
- Districts: \$5,000 annual fee
- Small Districts (Less than 500): \$2,000 annual fee
- Schools: \$1,000 annual fee

If your district is interested in participating in MCMI, the next step is to complete the "Application for Membership in the Monterey County Mathematics Initiative". That application must be submitted to Cindy Chin no later than March 25, 2016.

Additionally, we have been working with David to build a tentative MCMI calendar for 2016-17. Below are the tentative dates for 2016-17:

July 25-29, 2016

If you have any questions or concerns, you are welcome to contact me at (831)784-4113 or email me at dgreen@monterey.k12.ca.us.
