Regional System of District and School Support (RSDSS)- rsdss5.sccoe.org/

The RSDSS Region 5 counties (Monterey, Santa Clara, Santa Cruz, and San Benito) collaboratively provide leadership, professional development, guidance to build school and district capacity to support low-performing Title I schools.

Informational /Issues Update (State/Federal/County/Committees)

Next Generation of English Language Development Standards

Next generation of ELD standards are “fewer, clearer, higher” and focused on what English Learners should know and be able to do with language to accomplish key social and academic purposes. These standards are now adopted and are to be implemented in the 2013-14 school year.

To watch the CDE’s webinar on the new ELD standards, please go to WestEd’s California Comprehensive Center webpage:

Update on the CEDLT

Addition of the Name and Tell section is being field tested this year.

New on www.celdt.org - CEDLT Fundamentals, quarterly webinars, tutorials on how to use the web-based applications

Calendar Review (Trainings/Events/Due Dates)

Gradual Release of Responsibility (G.R.R.) Training and Coaching

- Training and support in research-based instructional model of transferring teacher knowledge to student independent application. Focused support for critical reading and writing skills in Social Studies, Math, Science, and English Language Arts.
Cost: MCOE per diem Audience: 6-12

Common Core State Standards Workshops for Secondary Teachers

- Grade specific support for grade level lead teachers to analyze the new Common Core Standards (CCS), how they compare to current ELA California standards and the impact they will have on classroom instruction. Using processes developed by Doug Reeves and Larry Ainsworth, the group will begin to unpack the standards and develop potential timeframes for instruction.
Cost: free Audience: 6-12

Academic Literacy Across the Content Areas for English Learners and All Students

- Customized services to support secondary staff in developing curriculum course sequence, and instructional practice to improve the academic performance of secondary students and English Learners.
Cost: MCOE per diem Audience: 6-12

Student Skills for College-Readiness

- Secondary classroom and school-wide methods of challenging and supporting 6th-12th grade students to be college-ready.
Cost: MCOE per diem Audience: 6-12
