

RIGOROUS CURRICULUM DESIGN SEMINAR

*Featuring Dr. Brandon Doubek, colleague of Larry Ainsworth of
Doug Reeves' Leadership and Learning Center*

Rigorous Curriculum Design will help Monterey County educators develop a host of useful tools. The process creates a set of intentionally aligned components, including priority and supporting standards, “unwrapped” standards, common formative assessments, performance tasks, instructional strategies and curriculum map lesson plans, which become the basis for effective teaching and leadership.

The seminar:

- **English Language Arts:** June 10-11, 2013
Overview of the process and framework
- **Math:** June 12-13, 2013
Overview of process and framework

Follow-up:

Two-day follow-up presented by MCOE staff

- **English Language Arts:** July 24-25, 2013
- **Math:** July 22-23, 2013

The seminar will help educators understand the connections and practices that effectively integrate standards, assessment, curriculum and instruction.

Learn:

- Proven models for designing curriculum, assessments, instructional strategies, units of study and standards alignment
- A Framework for Common Core State Standards Transition and Implementation
- Articulation of the steps in the Rigorous Curriculum Design process to classroom practice
