

MONTEREY COUNTY OFFICE OF EDUCATION EDUCATIONAL SERVICES AND SELPA

Overview of CAASPP / Smarter Balanced Assessments

Description:

This professional development opportunity will disseminate information to further support implementation of the CAASPP System. The targeted audience includes district administrators and testing coordinators who were unable to attend the CDE CAASPP Institutes.

Morning Session (8:30 am - 11:30 am)

Participants will:

- become familiar with Summative Assessments, Interim Assessments, and Digital Library resources

Afternoon Session (1:00 pm - 4:00 pm)

Participants will:

- explore the usability, accessibility, and accommodations guidelines for all students including ELs and students with special needs
- learn how to use the Individual Student Assessment Accountability Profile (ISAAP) process and tool
