Dear Dr. Kotowski,

The Armenian National Committee of America – Western Region (ANCA-WR) is currently seeking nominations for the ANCA-WR Armenian Genocide Teaching Award. The ANCA-WR is a grassroots public affairs organization, serving to educate, motivate, and active the Armenian American community on a wide range of issues, including promoting genocide education within public schools. Educators who have incorporated a compelling and effective lesson plan on Armenian Genocide studies into their curriculum will be acknowledged and presented with an award during a reception in February 2017.

Please take a moment to nominate an educator who has shown exemplary use of curricular material, technology, performing or visual arts, music or literature in lesson plans that explore specific topics within the context of the Armenian Genocide. The deadline to complete and submit the attached nomination form is **November 15, 2016**.

Once we have received all nomination forms, the nominees will be asked to provide us with a lesson plan and a student work.

We look forward to receiving nominations from your school. If you have further questions, please contact Sarine Boyadjian at (818) 632-7466.

Sincerely,

Alice Petrossian
