

California NGSS Estimated Implementation Timeline

For a listing of previous events visit www.casience.org/csta/ngss_keyfacts.asp

2015-2016	Local Control and Accountability Plan (LCAP) Annual Update – Participate in opportunities in your district to provide input in your district’s LCAP. Implementation of NGSS should be included in State Priority #2. See http://wp.me/p4ic4P-3fc for tips.
June 20, 2016	IQC analyzes results of public review, revises draft, and approves second draft of <i>Science Curriculum Framework</i> for public review.
June 28 – August 29, 2016	Second 60-day public review period of <i>Science Curriculum Framework</i> .
July 13-14, 2016	State Board of Education Meeting – It is likely that the State Board will take action at this meeting to further develop the accountability system and evaluation rubrics. They will also likely hear a plan for the design for the new science assessment to replace the CAPA.
2016-2017	Local Control and Accountability Plan (LCAP) Annual Update – Participate in opportunities in your district to provide input in your district’s LCAP. Implementation of NGSS should be included in State Priority #2. See http://wp.me/p4ic4P-3fc for tips.
Fall 2016	NGSS Rollout #3 – 2-Day Professional Learning Series: Join science leaders from surrounding regions for the latest series of statewide professional learning symposia exploring the next steps in the journey toward NGSS Implementation. Sept. 14-15: Alameda Co.; Oct. 13-14: Fresno Co.; Nov. 7-8: Santa Clara Co.; Nov. 15-16: San Diego Co.; Nov. 29-30: Siskiyou Co.; Dec. 12-13: Ventura and San Luis Obispo Co. https://www.regonline.com/NGSS2016Training
September 8–9, 2016	State Board of Education Meeting – It is likely that the State Board will take action at this meeting to further develop the accountability system and evaluation rubrics.
October 21–23, 2016	CSTA Annual California Science Education Conference – Palm Springs, CA – visit www.casience.org/csta/conf_home.asp . – Registration Is Now Open!
November 2–3, 2016	State Board of Education Meeting - It is probable that the SBE will take action on the proposed <i>Science Curriculum Framework</i> .
Spring 2017	Census Pilot Testing Year for NGSS Assessment. See http://www.casience.org/csta/ngss_assessment.asp for more information.
October 13-15, 2017	CSTA Annual California Science Education Conference – Sacramento, CA
Spring 2018	Field Testing Year for NGSS Assessment: Will consist of three segments (A, B, and C). 5 th grade: Segment A&B=5 th Grade PEs; Segment C=K-5 PEs. 8 th grade: Segments A-C=6-8 PEs; High School (admin in 10, 11, or 12)=9-12 PEs. See http://www.casience.org/csta/ngss_assessment.asp for more information.
Nov. 30 – Dec. 2, 2018	CSTA Annual California Science Education Conference – Pasadena, CA
Fall 2018	Instructional materials adoption by SBE.
Spring 2019	Administration of Operational NGSS Science Assessments

This timeline was developed by the California Science Teachers Association (CSTA) using a variety of information sources. CSTA will update this timeline as information become available. Updated: June 13, 2016
