Re: **Escape Fields for Sales Tax**

Monterey County's Escape System was updated this morning (Monday, January 2, 2017) with the new sales tax rates for all organizations. This was done to reflect the 0.25 percent decrease which took effect on January 1, 2017 (<https://www.boe.ca.gov/sutax/prop30.htm>).

As a reminder, this information is located in Escape under Finance – Setup – General – Fiscal. Whenever tax rates are updated by the Board of Equalization we typically make the changes on the first working day after the new rates are effective. To avoid duplication or confusion, we ask that districts not update these rate changes on their own.

If at any time you have concerns or questions about sales tax rates for your organization, please contact [helpescape@montereycoe.org](mailto:helpescape@montereycoe.org).
