**IGETC CERTIFICATION:**

“**Certification**” means that Hartnell College has verified that a student has completed the lower division general education requirements for the University of California or California State University. Certification is important because without it students will be held to the general education requirements specific to the UC or CSU campus to which the student transfers. Courses from other colleges and universities may be considered for certification through a process called “**pass along certification**”: 1) courses taken at other California Community Colleges will be certified in the subject areas (AREA 1 – 6) approved by the institution where the courses were taken, and 2) courses taken at other regionally accredited colleges and universities will be certified only if the **course is determined to be equivalent** to a course in Hartnell College’ IGETC Certification Pattern. The following Advanced Placement (AP) Examinations may also be included in the IGETC Certification.

**EXTERNAL EXAMINATIONS APPROVED TO CLEAR SPECIFIC IGETC AREAS:** Advanced Placement (AP), International Baccalaureate (IB) See the current Hartnell College catalog pages on External Examinations that indicate equivalent general education area or elective units that could apply with appropriate scores. (Examinations may also be included in the IGETC Certification. (See a counselor for complete list of exams and unit limitations.)
