Monterey County Office of Education

Migrant Education Program Region 16

Dr. Nancy Kotowski,
County Superintendent of Schools

“All migrant students will experience a high-quality education and improved way of life”
Vision and Mission

**Vision** - The Vision of the Migrant Education Program is that all migrant students can be successful, be proud of who they are, and be positive contributors to our society.

**Mission** - The mission of the Migrant Education Program is to ensure that all migrant students experience a high quality education and improved way of life.

Regional Office Role

The regional office achieves the vision and mission of the program through four essential elements:

1. Coordinate and implement direct services that address student’s health and academic needs.
2. Support migrant parents to build capacity to engage in the education of their children and in the planning, implementation, and evaluation of the program.
3. Provide technical assistance and professional development to education professionals who work with migrant education students.
4. Monitor and evaluate district and regional programs to ensure appropriate use of funds and implementation of effective educational practices.
