MCOE 2018-19

Welcome parents and families! My name is Allison Steinmann, and it is with great pride and excitement that I welcome you as Principal to our MCOE Special Education programs in King City, Greenfield and Soledad. I am honored to have this opportunity to be in my third year with our students and families. I have been dedicated to the field of Special Education for more than 19 years. I have worked with a variety of students with special learning needs. I am excited and eager to bring my skills as an educational leader with our MCOE special education classrooms and to work with you as a partner in education to ensure your child's success.

All of us, teachers, classroom staff and myself, are eager and excited to begin what promises to be a learning year filled with progress, excitement and learning success. Our classrooms offer diverse learning needs. Our MCOE classes include pre-school through high school. These classrooms encompass Pre-academic learning, Social Skills, Academic Skills, Functional Life Skills, and Behavior Skills. It is exciting to have students learning and making progress every day. It is the mission of MCOE to help every student, as well as parents, feel welcomed and part of the classroom family.

As your Principal, it is important to me that everyone who steps through our doors –teachers, students and parents are excited to be in our programs. This enables us to meet the challenges of learning with positive, fun and nurturing environments. My door is always open and I always welcome your input.

Once again, welcome back to our 2018-19 school year.
