

WELCOME TO THE 2017-17 SCHOOL YEAR

Hello, my name is Elizabeth “Beth” Krickeberg and I am honored to be the principal of ABI School, and the Life Skills Programs at Ruth Andresen and San Benancio Middle School. I have been working in education as a school psychologist and administrator in special education for 22 years. I have a Masters in Counseling, and credential in School Psychology and School Administration. My career as a school psychologist started in the Sacramento region in a small district, where I eventually served as their Director of Special Education. I then had the opportunity to be a principal in special education for the Sacramento County Office of Education for five years. I moved to the Monterey Bay area in 2014 and have had the opportunity to work both as a school psychologist and administrator in special education.

As Principal of these programs in Monterey County Office of Education, I feel fortunate to understand how important all team members are in our students ability to thrive in their school community. I am looking forward to a positive and successful school year. Please know my door is open and I welcome your input. I can be reached at (831) 484-2102.
