

Letter to the Parents
Principal Linda Yellich

Dear Parents,

It is with mixed feelings of sadness and eager anticipation that I let you know that I will be retiring from the Monterey County Office of Education and my beloved job as principal of Ingham and Ruth Andresen Schools, our special class at San Benancio Middle School and the Program for Students with Visual Impairment. After 46 years in the field of special education, I find it is time for me to focus on my role as a grandmother and active retiree.

I have been honored and blessed to have had such a meaningful and rewarding career. I have valued and appreciated all of the opportunities that MCOE has provided for me over the last 38 years.

The relationships I have developed with our special students and their incredible families are something I will always cherish. I have the deepest admiration for all of the parents and the challenges they face everyday as loving and devoted parents of wonderful children with very special needs.

My last day of work will be June 30, 2015 and I sincerely hope that I will have a chance to say good-bye to all of you before then. Please know that I will keep you and all of your children close in my heart.

Warmest Regards,

Linda Yellich
Principal, Special Education
Monterey County Office of Education
