WELCOME TO 2016/2017 SCHOOL YEAR

It is with great pleasure and enthusiasm that I be afforded the opportunity to continue to be a member of the special education team at Monterey County Office of Education as a principal for students with special needs. Having worked with students with special needs since 2005, I find this area of education most rewarding. I have a Masters in Special Education and a Masters in Educational Leadership and Administration. In addition, I hold a Multiple Subject Teaching Credential and an Education Specialist Instruction Credential for mild/moderate and moderate/severe disabilities. My most recent administrative experience has been shaped by three years of successful leadership of special needs programs in the Monterey Bay area.

Parents, teachers, support staff, community and administration all play a part in helping our students meet and exceed our expectations of them. My mission is to promote the success and wellbeing of students by working collaboratively with parents, families, community members and colleagues. I anticipate a most successful year as my dedicated team and I support the success of all students in our program.

As Principal, my door is always open and I welcome your input. Please feel free to stop in or call to make an appointment to discuss any concerns, suggestions, or ideas to help make this the best year yet!
